Cluster Box Units Provide Flexible Delivery Solution

Whether you plan to serve four or 2,000 residents, cluster box units (CBU) provide a flexible solution to accommodate your building project needs. Simply select the pre-configured unit(s) that has the best options for your residents. These standard stock units can be used individually or in larger group installations - all providing a convenient, secure method of mail and package delivery to residents.

Florence "F" Series CBU is Officially Licensed by the USPS

The Florence vital™ 1570 series CBU was the first Officially Licensed CBU of the US Postal Service for centralized mail delivery.
